BOSTON, MASS., FRIDAY, OCTOBER 28, 1904.

PRICE THREE CENTS.

WORLD'S FAIR AWARDS.

Technology Awarded Medals and Prizes.

The following has been received from our St. Louis correspondent, by Special Postal Telegraph Dispatch:

St. Louis, Sept. 26, 1904.

Mr. Gay, in charge of the Massachusetts School Exhibits, informs me that, according to official report on the Massachusetts awards, Technology is the winner of six prizes, as follows:

One, Grand prize for General Exhibit. Two, Gold Medal for Mining Engineering Exhibit. Three, Silver Medal for special exhibit of Analytical Chemistry. Four, Silver Medal for special exhibit of Drawing. Five, Silver Medal for special exhibit of Photography, Students' Work, etc. Six, Bronze Medal for special exhibit of Transparencies.

These six prizes were awarded to the M. I. T. Exhibit in the group of higher education, which included as competitors all the colleges and universities, scientific, technical and engineering institutions, professional schools, libraries, and museums, represented by an exhibit.

Brighton High—11. 1908—5.

Brighton High defeated 1908 at Roger's Park last Wednesday, by the score of 11 to 5. Both teams played a good snappy game, and it was not until near the end of the second half that Brighton succeeded in making the winning touchdown. The Freshmen made their touchdown in the first twelve minutes of play, but were unable to score afterward. During the first part of the second half 1908 seemed to have the advantage, but Brighton finally held them, and then began to work their way up the field. Curly got through and ran 40 yards for the final touchdown.

FALL HANDICAP MEET.

Athletic Contest to be Held Saturday, at Technology Field.

To-morrow afternoon at 2 o'clock, the Annual Fall Handicap Meet of the M. I. T. A. A., takes place at the new Athletic Field in Brookline. Every day for the last four weeks between 75 and 100 athletes have been training diligently for this event. Never before has there been so much enthusiasm. The entry list is the largest we have ever had and in some events the entries will reach the

hundred mark. The rivalry and spirit of the contestants promise some exciting finishes in several events and the Meet will be well worth seeing. The rivalry is especially intense between the two lower classes and they will have large delegations present in the cheering section.

The tickets are on sale to-day and it is advisable to get one now to avoid the rush at the field.

Technology Kommers.

Following the suggestion in a recent number of THE TECH, the Technology Kommers for the next two Saturday nights will be addressed by leading politicians. To-morrow night, Saturday, October 29, Mr. Guy Ham will speak. Mr. Ham is Assistant United States Attorney; he is a prominent member of the Boston Republican Club, and is well known in Massachusetts.

Ballots for senior elections have been mailed. If you have not received yours, see J. Daniels, '05.

1908 Class Nominations.

President: H. Childs, M. J. Cole, C. H. McGuigan, A. T. Hinkley. Vice-President: H. S. Carter, L. T. Collins, H. R. Putnam, F. T. Towle, W. E. Weinz. Secretary: W. B. Given, H. S. Osbourne, R. B. Weile. Treasurer: E. T. Ahmy, C. S. Clapp, L. Coffin, Orr, Rappelye, F. T. Towle. Directors: H. Allen, D. Cairns, Child, Dwight, N. S. Hammond, A. W. Heath, A. C. Nichols.

Tickets for torches must be obtained before the night of the parade, at the Cage or of R. S. Gardner, '05.

REPUBLICAN CLUB.

Enthusiastic Organization Meeting. Good Work Being Done for the Parade.

The organization meeting of the Technology Republican Club was held in Huntington Hall Wednesday, October 26, J. M. Lambie, acting Senior President, presiding. Mr. Lambie explained the purposes of the Club and called for nominations for President. Norman Lombard '05, was elected President, and William Green, '05, Secretary and Treasurer. A motion was passed authorizing the President to appoint an Executive Committee to have charge of the Parade and a committee to confer with the Class of '05.

Sub-committee chairmen are announced as follows.

Finance, W. Green; Torches, R. S. Gardner; Band, H. M. Wilcox; Banners, G. B. Jones; Program and Line of March, C. L. Rodgers; Badges, G. De W. Marcy; Publicity, L. T. Bushnell; Organization, all four acting Class Presidents.

The above will serve as an Executive Committee and will appoint men to assist them in their particular duties.

Each class president is expected to appoint fifteen marshals who will urge the men to come out and have charge of the formation and order of the Parade.

A permit has been secured to hold the Parade November 2. It will form at 7.30 on Exeter Street in front of the gymnasium and after an extended line of march will return to Rogers Building.

How to Reach Technology Field.

To reach Technology Field, take any Brookline Village car out Huntington Avenue. Get off at further crossing of Parkway, follow Parkway to the left toward Jamaica Pond past the hospital. About five or six minutes walk from car.

California Stories.

The English Club of California contemplates bringing out two volumes of college stories, to be made up of the best work that has appeared in the *Occident*, the California literary magazine.

WILLIAM A. NICHOLS, PRINTER, 208 SUMMER ST., REAR

To-morrow occurs the Fall Handicap Meet, the first athletic contest of the school year. As the event which gives the first indication of what we may expect from next year's Track Team, the Meet demands the interest and attendance of every Tech student, but this year a more pointed reason exists for the presence of all Institute men. The Meet will be the first contest to occur on the new athletic field which has been so generously presented to us. The gift is, whether he realizes it or not, one to every undergraduate at Technology. It is, therefore, the duty of all, to do their part to show the donors that the present of the field is fully appreciated. This can be done best by having a full list of entries and a large attendance of all those who cannot take a more active part in the games.

Name of New Athletic Field.

After consultation between Dr. Pritchett and myself, it has been decided that, for the present at least, the new athletic field at Brookline, will be known as "Technology Field," and that the practice ground on the corner of Irvington and St. Botolph Streets, will be known as "Technology Oval."

FRANK H. BRIGGS.

Review of the Mining Summer School.

A meeting of the Mining Engineering Society was held Wednesday, October 26, in Room 2, Rogers Building. The following men were elected to membership: J. P. Varian, '06; W. A. Sheldon, '06, and F. C. Jaccard, '07.

Mr. R. Kibbey, '05, gave a very interesting talk on the Mining School at Silver Plume, Colorado, and described the lead and zinc mines which they found there. Mr. E. Burton, '05, followed with a description of the gold mines at Idaho Springs, explaining the method of separating the gold from its ores by the amalgamation process. Mr. R. W. Senger, '05, outlined the Metallurgical trip which followed the Summer School. He gave an interesting account of the refining of gold and silver, at the Globe Smelting Works in Denver, and he also told of the visits to smelting plants at Colorado Springs and Cripple Creek.

The Thursday Convocation.

The first general convocation of students and instructors was held in Huntington Hall, Thursday, at two o'clock. The attendance was very large, the hall being completely filled.

President Pritchett, after a few remarks, introduced the speaker, the Right Reverend Charles H. Brent, Bishop of the Philippines.

Bishop Brent spoke of the Philippines as a field for future scientific work, and said that the next few years might see here an advancement of civilization unrivalled in the history of the world.

COLLEGE REGALS.

The special REGAL styles for College wear challenge the admiration of the entire student body. These REGALS are built on bold, strong lines, snappy and up to the minute, in strict keeping with the college man's idea of what a shoe should be.

REGALS are made in quarter sizes, 288 separate fittings in each style. Sold direct from tannery to consumer through 80 REGAL stores.

REGAL,

"THE SHOE THAT PROVES."
